defibtech MD

Full Service AED Management & Medical Oversight

Safety • Preparedness • Compliance

Visibility • Peace of Mind

Your life-saving AED program goes beyond simply
having a Defibtech LIFELINE AED…

Prepare your people and organization
before sudden cardiac arrest strikes.

AED Program Manager

The 'Worry-Free' AED Service Solution
Integrates all components of a successful AED program while ensuring compliance with local, state, and federal laws

Offers AED placement assistance for optimal emergency response time.

Fulfills the AED prescription requirement as required by the Food & Drug Administration (FDA).

Notifies EMS that your organization has established an AED program.

Defines roles & responsibilities to ensure program readiness.
